Since we accommodate only a few hunters, you should make reservation in advance. A deposit of one-third is required to book a hunt. Deposits are fully refundable if you are unsuccessful in drawing a license. Should a hunter cancel a hunt prior to March 1st, the deposit will be returned in full, less a \$50 cancellation fee. Hunters concerned with cancellations due to unforeseen circumstances are encouraged to obtain Travel Insurance endorsed by MOGA (Montana Outfitter and Guide Association). If the hunter fails to send license application info to UCO and/or to Montana Fish Wildlife & Parks by March 15, UCO has the option to retain the deposit, or credit it to another season, provided another hunter can be booked in time to fill the open space.
